Description

Nico 3 features a tapered drum shape that fits beautifully in transitional spaces. Our Clear Stone glass is a clear blown glass with an outer texture of coarse sandstone. Inspired by the elements of nature, the appearance of the surface resembles the beautiful cut patterning melting ice over a rock formation. This blown glass is handcrafted by a skilled artisan, utilizing century old techniques that have been passed down from generation to generation. Each piece of this décor has its own artistic nature that can be individually appreciated.

*Available as Jack-only, Rail-ready or complete spotlight fixture
