Description

The Plato is a playful double-glass pendant, with a globe-shaped opal glass centered in a radiused outer transparent glass ring. Our Clear colored blown glass complements the soft white Opal cased glass, which can suit any classic or modern decor. Opal has a very tranquil glow that is pleasing in appearance, as the Clear glass sparkles with the accents from that glow. The smooth satin finish on the opal's outer layer is a result of an extensive etching process. This blown glass combination is handcrafted by a skilled artisan, utilizing century-old techniques passed down from generation to generation.
