

PICA 9

Brand: Besa Lighting

Dimensions: 6.60in x 8.70in x 0.00in

Price: \$255.00

Short Description

Besa 8.7" x 6.6" [Contact for availability](#), typically ships in 5-10 business days

4 Colors: Cream Sand, Red Sand, Gold Sand, White Sand

Description

Pica 9 is a tapered glass treated with a band of natural sand applied to the interior, with an angled top and a radiused return at the bottom. Its retro styling will gracefully blend into today's environments. The White Sand décor begins with a clear blown glass, with glossy outer finish. We then, using a handcrafting technique, carefully apply a band of actual fine-grained sand to the inner surface of the glass, where white colour is fully saturated into the coating for a bold statement. A final clear protective coating is applied to seal and preserve the accent material. The result is a beautifully textured work of art, comfortable with the irony of sand being applied to a glass that originates from sand. When illuminated, the colors shimmer through the noticeable refractions created by every granule, as the sand patterning is obvious and pleasing.
