Description

Contemporary Paolo enclosed half-cylinder design features handcrafted glass. This modern wall light offers flexible design potential for a variety of bath/vanity decorating schemes. Mount horizontally or vertically. ADA-Compliant. The Stucco decor starts with a clear blown glass with a subtle matte frost, then we apply a uniform patterning of textured clear glazing. The result is a sophisticated adaptation of the luxurious and tactile finish used within the elegant Venetian plaster finish. When illuminated, the glazed accents create a striking diffuse glow that calls attention to the timeless texture. The vanity fixture is equipped with plated steel square lampholders mounted to linear rectangular tubing, and a low profile square canopy cover.
