Description

The patented TR USB Angle Power Strip mounts under cabinets and countertops, and is an ideal alternative to standard outlets that are cut into tile, glass, wood panels, metal and other solid surfaces. The fixture is easily hidden, while the angle offers easy access to receptacles. Fixture comes with one 15 amp USB/outlet combo, located in the left opening position on the fixture. All other receptacles are 20 amp duplex. Use under kitchen cabinets and countertops, vertically along the sides of a bathroom mirror, on the top of an office desk, in the shop, craft room and home entertainment center. Tamper resistant receptacles. Meets 2008 NEC. Mounting hardware included. Requires installation by licensed electrician.
