Description

The patented APT Angle Power Strip mounts under cabinets and is an ideal alternative to standard outlets that are cut into tile, glass, wood panels, metal and other solid surfaces. The fixture is easily hidden while the angle offers easy access to receptacles. Use in the kitchen, bathroom, office, shop, craft room and home entertainment center. Custom options include length, additional receptacles, and switches for lights and garbage disposal. Features 15 amp tamper resistant receptacles. Meets 2008 NEC. Mounting hardware included. Requires installation by licensed electrician
